

## NEWS RELEASE

### WESTPORT TAX PAYMENTS DURING COVID PANDEMIC

The Town of Westport does have several options for property tax payments this year. The Town Office Lobby is CLOSED due to COVID-19 through at least the end of the year, and likely during the entire tax payment time frame. Town staff will be accepting tax payments and doing other Town business by mail, by using the drop box next to the front door of the Administrative Office entrance, or by calling 608-849-4372 to make an appointment. You will likely be asked to conduct business safely through the office doors. Please be patient and vigilant during these difficult times. Westport has a very small office staff and everyone is an essential worker. This procedure will help not only to insure the safety and health of our residents from congregating in a very small lobby, but will keep the good health of our workers so Westport can continue to provide necessary services. Westport staff reminds residents to stay safe and healthy.
