## **Ice Conditions**

Madison, WI. March 7, 2018 – The Dane County Sheriff's Office wants to warn of deteriorating ice conditions on area lakes. The recent warmer temperatures have resulted in changes to the stability of the ice, and open water exists in many areas.

Marine and Trail deputies recommend people stay off the ice, but if you do go out, deputies recommend having appropriate floatation and life saving devices, such as ice picks and life preservers.
