

Regional Transportation Plan

2050

Charting Our Course Madison Area

You are invited to attend our final series of public meetings on the Regional Transportation Plan.

You will have the opportunity to:

- Hear about the facilities and services needs analysis and recommendations in the draft Regional Transportation Plan
- Review maps and information on the existing and recommended future transportation system
- Talk with MPO staff about the draft plan and other plans and planning activities
- Provide your comments and suggestions

The draft Regional Transportation Plan identifies transportation investments, strategies, and actions covering all modes that support regional transportation, land use, economic, and environmental goals. The plan will shape our regional transportation system into the future. It provides the policy direction and framework, which is refined through corridor, mode specific, and strategic studies and plans.

Public Hearing	Public Involvement Meetings

ABOUT THE MATPB

The Madison Area Transportation Planning Board (MATPB), as the federally designated Metropolitan Planning Organization (MPO), is the policy body responsible for cooperative regional transportation planning and decision making for the Madison Metropolitan Planning Area. The MATPB provides a forum to build regional agreement on transportation investments that support regional land use, economic, and environmental goals. For more information on the MATPB visit the MPO website at www.MadisonAreaMPO.org.
