

SUMMER HELP WANTED

Hi everyone:

This is Barry Buckwalter, Public Works and Utilities Supervisor for the Town of Westport.

I'm looking for energetic, creative, and responsible young adults to fill a few general maintenance positions during the summer. Applicants should be 16 years or older, and hold a valid driver license.

Hours are available Monday thru Friday, from 7:00 a.m. to 3:30 p.m., with flexibility available. Positions will begin shortly after the school year ends and run through the entire summer.

Duties will include, but are not limited to: lawn mowing, trimming, sweeping, raking, trash pick-up, weed removal from park areas, pressure washing, soccer field maintenance, and other miscellaneous tasks.

NO prior experience is required, just an open mind and the willingness to learn while having fun, and enjoying the summer outdoors. If you're interested in working with a great crew and a positive employer, who offers competitive wages with potential increases upon proven performance, then Westport is the place for you!

If you have any questions, regarding the available positions, please feel free to contact me directly, via e-mail (bbuckwalter@townofwestport.org) or phone (608-219-1416); I'm happy to answer any questions you may have, and look forward to hearing from you soon.
