November 17, 2016

Subject: Project ID 5290-00-02
USH 12 – IH 39
River Road – IH 39
STH 19
Dane County

Please join us for a public involvement meeting to discuss the WIS 19 reconstruction project between River Road and Interstate 39 located in Dane County.

The meeting is scheduled for **Tuesday, November 29, 2016**, from **5:00 p.m. to 7:00 p.m.**, at the Windsor Elementary School located at 4352 Windsor Road in the Village of Windsor. A brief presentation is scheduled to begin at 5:30 p.m. The remainder of the meeting will follow an open house format.

The purpose of the meeting is to present preliminary plan concepts for the expansion of WIS 19 from a two-lane to a four-lane highway from just west of River Road, to the WIS 19/Interstate 39 interchange. Included with the project is the construction of new bridges over the Yahara River and the reconstruction of the River Road intersection.

We are seeking your input on the proposed design concepts. Representatives from the Wisconsin Department of Transportation and Ayres Associates (design consultant) will be available to discuss project details, address comments, and answer questions. Displays showing WisDOT's recommended design will be available.

We look forward to meeting with you. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting me at least three working days prior to the meeting.

If you have any questions, or if you cannot attend the meeting, but would like to find out more about the project, please contact me at (608) 245-2622 or Matthew Barr at Ayres Associates (608) 443-1261.

Sincerely,
