PARK COMMITTEE MEETING**

Kennedy Administration Building
Community Meeting Room
5387 Mary Lake Road
Waunakee, WI 53597

MINUTES – July 1, 2015 at 5:30p.m.

Members present: Terry Enge, Sheldon Schall, Mick Holm, Fran Bridge, Mark Trotter, Dave O'Malley

Members absent: None

Public attendance: Brad Robinson

Minutes approved for June 3, 2015 motion Schall, 2nd Holm

Schall mentioned that the swings are in at Marylake Park. Fencing is still surrounding it as the company needs to allow the cement to cure before finishing the installation.

Bridge saw utility flags in the area and wondered if they were for a Town project. These flags do not appear to have anything to do with the Town.

The Park Committee adjourned the meeting and O'Malley, Holm, and Enge went on a trail hike of the southern Yahara River trail. This trail starts just south at the trail head of Murphy's bar parking lot on Hwy 113. It links to the Dane County park trails off of Wheeler Road. It has stunning views of the head water of the Yahara River. Members present noted one of the trail signs designating the trail needs to be installed.
