

TOWN OF WESTPORT
Park Committee
Kennedy Administration Building
Community Meeting Room
5387 Mary Lake Road
Waunakee, WI 53597

MINUTES – June 8, 2016 at 5:30 p.m.

Members present: Michelle Wing, Julie Trotter, Terry Enge
Also in attendance: Dean Grosskopf

Committee drove to see the Westport Parks of Sunrise, Christina, Steeple Chase and Mary Lake to evaluate any needs or concerns for improvements.

Committee enjoyed the visit to Sunrise which sits on the shore of Lake Mendota near Mendota County Park, Middleton. Amenities include small sand beach for lake access. Pier for boats or fishing. ½ acre of lush lawn maintained by neighbors. View of the Capital. Mature cottonwoods for shade. A 10 ft easement from road to access the park.

Christina Park could use some tree pruning. Repair of cracked park sign. A sandbox would be nice for younger children. Playground equipment in good shape. Possibly replace tire swing with something else. The playfield is not very big.

Steeplechase contains a gazebo, a climb and slide, and two person swing set. The swingset could use a change out of one swing for a small child swing.

Mary Lake Park replaced old swing set in 2015 and climbing bars. Resurfacing of basketball court should be considered.
