Meeting convened at 5:30PM in the Town of Westport Kennedy Administration Building.

December minutes approved after being amended to include discussion with DNR representative David Rowe on his approval allowing 70 feet of gravel to DNR trails on motion Trotter, 2nd Wing.

Reviewed Jackson Landing signs. No need for the smaller park signs to be installed on Westshire Circle. Do install across from Town Center in field, Willows parking lot shelter and the and the bulb East side of Willow Road Bridge.

As to the large sign for Town of Westport Jackson Landing, remove the shamrock and change the letter size for Town of Westport and Jackson's Landing - see updated proposal.

Discussion of benches would like Park Committee review when considering donations. Park Committee would also like park sign review before construction or placement.

Other park related [news](#): Town staff have notified Reis Family for future attendance to discuss trail easement into Carriage Ridge from Blue Ridge.

Town staff have notified Stone Corporation on Arboretum Drive on preserving the historic silo on their property.

Park Committee is requiring park map of Bishops Bay park plans when available.

Park Committee wished to know if there is a leash law ordinance for the Town.

Terry Enge reported he and Barry Buckwalter visited DNR land for future riprap for 6 Mile Creek protection and adding gravel on West end of DNR trail. Mid summer may be best time for driest conditions for placement,

Two members of Park Committee visited the 6 Mile Creek in January as to clean up work and establishing volunteer group for assistance.

Meeting adjourned at 6:30 PM per motion by O'Malley 2nd by Trotter.
